The Board is responsible for overseeing management's financial, accounting and reporting processes, the system of internal accounting and financial controls and compliance with related legal, regulatory and ethical requirements. In recent years, the Board delegated the interview and recommended selection to a small committee headed by the Treasurer. This committee reviewed several applications, ranked them and provided a recommendation to the full Board for discussion and vote. During discussion, the Board reviewed the qualifications, independence and performance of the independent registered public accounting firm (Auditor). AREF utilizes Auditor for
